- Categorical Exemption. State type and section number: 14 CCR 15301/Class 1: Existing Facilities
- Statutory Exemptions. State code number: _____

Reasons why project is exempt:

This project is exempt because there would not be any significant impacts to environmental resources. There is a low potential for impacting state listed species and little to no potential on impacting historical resources. Additionally, the project aims to reduce stormwater pollution of the highway system by installing trash captures. This project further would not add to the capacity or amount of vehicles on the highway.
